Please join us for a celebration of sun and sea with the wines and flavors of Abruzzo. We've selected the perfect venue – Barbarini at the South Street Seaport – for small dishes and fun wines with which to celebrate the advent of summer and the return of warmth. Dr. Felice de Biase of Frentana Winery will be on hand to offer a personal ray of sunshine to this pre-summer festa. The event starts at 4:00 and runs until 7:00 on Monday, June 6<sup>th</sup>. Cure your Monday blues and extend your beach weekend with this perfect segue back to city life. Don't forget your shades!!
